

## PORT JACKSON SHUTTLE

### BRING YOUR OWN BIKE OR HIRE ONE OF OURS

Such a great way to explore the remote northern tip of the Coromandel Peninsula.

Join the 9.15 am shuttle from our base in Colville as we head to Port Jackson Campground.

With arrival at 10.30am, the day is yours to explore the surrounds at your own pace.

Bike into Fletcher Bay, a 12 km return ride, take the time to enjoy the scenery, have a dip in the ocean, chill out under the trees.

The 30km ride to Colville beside the Hauraki Gulf is a stunner. With up to 42kms of available cycling over quiet gravel roads the day is yours to explore. There are a few challenges along the way so road riding experience is essential.

Prebooking required.

Contact us for camper's transfers.  
Minimum numbers apply.

## NORTHERN COROMANDEL EXPERIENCE

### FEATURES BOTH THE COROMANDEL COASTAL WALK & MURIWAI WALK

#### FULL DAY TOUR AND SELF-GUIDED HIKING 3kms to 13kms – YOU CHOOSE!

Shuttle departs:-

- Coromandel Town 8.30 am; or
- Colville at 9.15 am
- Check-in 10mins prior to departure.

Your experienced and knowledgeable host will drive you via the remote coast road to Port Jackson. All you need to do is sit back in our comfortable, airconditioned van and enjoy the views.

The hiking starts at 10.30 am along the sandy shores of Port Jackson to the start of the Muriwai Walk. This is an optional short walk of 3kms along the dramatic, windswept clifftops beside the busy Colville Channel. Many acclaim this walk as equal to the beauty of the Coastal Walk itself.

Around noon we join up with the day's highlight, the Coromandel Coastal Walk. This self-guided trail is well marked and gives you the following options to hike out-and-back for up to four hours or ten kilometres:-

1. **The Olde Shepherd's Hut**, a nice easy stride out, a great place to sit and enjoy your lunch as you savour the outstanding views.
  - Total 4kms, 1.5- 2hrs easy walk through open farmland.

2. **Poley Bay**, remote, craggy and rugged. A place that reminds you of the Jurassic past but without the dinosaurs!
  - Total 6kms, 2-3 hrs, some easy walking through farmland and native bush with a steady climb out of Poley Bay.

3. **The Heritage Seat**, a fantastic place to sit with stunning views from Sugarloaf to Great Barrier and Beyond.
  - Total 8kms, 3-4 hrs, moderate fitness required as Poley Bay must be traversed twice. A great blend of scenery from farmland, bush and seaviews.
4. **The Lookout Point**. For most this will be a step too far but great for those keen on extra mileage.
  - Total 10kms, 4hrs return moderate fitness required.

We'll be waiting for you under the shady trees at Fletcher Bay with well-deserved afternoon tea. Enjoy a swim before we conclude the day with a dreamy drive home beside the beautiful blue Hauraki Gulf.

Return Time: Colville 5pm, Coromandel Town 6pm.

**What to Bring?** Lunch, water (free top-ups are available), sunscreen, sunhat, warm layer, rain jacket, hiking shoes, swimsuit, towel and camera. Insect repellent may be needed at certain times of the year.

### BUT WAIT THERE'S MORE... DON'T FORGET OUR HIKE & BIKE COMBO

Take all or part of the hiking options above, then add the popular option to bike the coast road back to Colville beside the beautiful Hauraki Gulf. Bring your own bike or hire one of our quality electric bikes and spend even more time in the great outdoors. The ride consists of up to 36kms and travels over a quiet gravel road with towering Pohutukawa overhead and expansive seaviews to the right.

With elevations totalling approx 500 metres the views at the summit will always be worth the effort. Bike back at your own pace, safe in the knowledge the support is never far away.

Hike & Bike Combo departs from Colville only at 9.15am and returns 5.30pm

Road riding experience essential.
